

Job Title: Intern React JS Developer - Frontend
Location: Gachibowli, Hyderabad (On-site)
Salary Range: ₹1.5 LPA during internship followed by 3-4 LPA
Experience: Freshers / 0 - 1 year
Joining: Immediate preferred.

Key Responsibilities

Collaborate on UI Development: Work with the design and backend teams to create responsive, scalable frontend applications.

Learn & Build with React.js: Assist in developing user interfaces using React.js and gain exposure to tools like Next.js and state management libraries.

API Integration: Help integrate RESTful APIs and third-party services under guidance.

Debug & Troubleshoot: Support the team in identifying and fixing issues to enhance application stability.

Adhere to Best Practices: Follow coding standards and practices to maintain clean, reusable code.

Continuous Learning: Stay curious and keep up with emerging trends and technologies in frontend development.

Required Skills & Qualifications

Educational Background: Bachelor's degree in Computer Science or a related field (or equivalent practical experience).

Basic React.js Knowledge: Familiarity with React.js and a fundamental understanding of modern JavaScript (ES6+).

Web Fundamentals: Working knowledge of HTML and CSS, with an interest in learning frameworks like Tailwind CSS.

Interest in State Management: Willingness to learn libraries such as Redux and concepts like React Hooks.

API Basics: An understanding of working with RESTful APIs.

Version Control: Basic experience with Git/GitHub.

Analytical Mindset: Strong problem-solving skills and keen attention to detail.

Team Player: A proactive attitude and eagerness to learn in a collaborative, dynamic environment.
